

TOWN OF SUNSET BEACH

Town Council Agenda Items

Meeting Date: April 4, 2011

Agenda Item Number: 8b

Subject: Consideration of Adoption of the Sunset Beach Fee Schedule

Summary of Information: The proposed fee schedule incorporates the existing Town fee schedules into one document. The Building Inspection Department fees are unchanged. The Planning and Zoning fees related to the Board of Adjustment have been increased by \$50 to incorporate the required advertising cost. Currently, the applicant is billed separately for the advertisement cost. The current cost of an ad is between \$50 & \$100. The General fees for black and white copies have been reduced from \$.15 to \$.10. A cost has been added to the schedule for color and large size copies since the copier has these capabilities. The Council will need to establish the amount to be charged for the Extensive Research Service Charge.
